# **GUYS READ CHARTER**

ON THIS DAY \_\_\_\_\_, WE, THE GUYS OF THE NEWLY FORMED  
\_\_\_\_\_ CHAPTER OF GUYS READ,  
HAVE AGREED ON THE FOLLOWING POINTS—

- i. *That* we Guys will tell each other when we like a book, and tell each other when we don't.
- ii. *That* we Guys will not feel bad about putting down a book we don't like, but that we'll give another book a chance.
- iii. *That* we Guys will get to choose from a wide range of books and magazines. Humor, non-fiction, graphic novels, science fiction, war novels, audio books, comics, magazines, websites, the back of cereal boxes, and pretty much anything with writing on it is okay.
- iv. *That* we Guys should have a say when it comes to picking the books we read.
- v. *That* there will never be a **GUYS READ** test that tests us on the books we read in **GUYS READ**.
- vi. *That* there won't be a **GUYS READ** quiz either.
- vii. *That* we Guys will embrace and use new technologies like computers in our reading (and get adults to do the same).
- viii. *That* we Guys will have food at our meetings whenever possible, and that this food will be the good kind of food.
- ix. *That* we Guys will occasionally, with our leaders, perform the **GUYS READ** Ritual of smashing things, just for the heck of it.
- x. *That* we Guys will help spread the **GUYS READ** mission.
